

Certificate no. 495

Dancert certifies that

Prefabricated wood elements assembled with mechanical connectors

delivered by

SIA LV Elements

Rupniecibas iela 39
LV-LV 3008, Jelgava
Latvia

and produced in the manufacturing plant(s)

SIA LV Elements, Rupniecibas iela 39, LV-LV 3008, Jelgava

complies with the requirements of

prEN 14732-1:2006 Timber structures – prefabricated wall, floor and roof elements – part 1: Product requirements

The conformity is assessed on the basis of the assessment activities described by Dancert's supplementary regulations for product certification for the actual product category.

The performance and/or classification of the products is specified at www.dancert.com

The certificate is valid from 08-02-2021 and will remain valid as long as neither the standard, the product nor the manufacturing conditions are modified significantly.

The validity of the certificate can be verified at www.dancert.com

This certificate was first issued on 08-02-2018
