Description of Product

This Certificate is issued in accordance with Directive 2014/34/EU, Annex V - covering the module: "Conformity to Type based on Product Verification" (module F).

Annex V covers the procedure where the manufacturing process are monitored by a Notified Body to ensure that the manufactured products are in accordance with the approved type described in the EU-Type Examination Certificate.

Inspected products:

Model SC 90T2:

Is a tank cleaning machine especially developed for cleaning of cargo and slop tanks on board crude oil carriers. The complete tank cleaning machine SC 90T2 is a combination of the "Drive Unit" marked "SC 290" and the "Canon Part" (Gun unit) marked "SC 90T2-WU". The cleaning machine is driven and lubricated by the cleaning media meaning that the machine will stop if cleaning media is not supplied.

The units are certified for fulfilling the marking:

 II 1/2 G Ex h IIB Tx Ga/Gb.

Model SC 30T:

Is a tank cleaning machine especially developed for cleaning of cargo and slop tanks on board crude oil carriers. The complete tank cleaning machine SC 30T is a combination of the "Drive Unit" marked "SC 280" and the "Canon Part" (Gun unit) marked "SC 30T-WU". The cleaning machine is driven and lubricated by the cleaning media meaning that the machine will stop if cleaning media is not supplied.

The units are certified for fulfilling the marking:

 II 1/2 G Ex h IIB Tx Ga/Gb.

Model SC 45TW:

SC 45TW is a tank cleaning machine is developed for cleaning of cargo and slop-tanks on board chemical and/or product carriers. The machines can be delivered in both a Bronze and Stainless-Steel version. The cleaning machine is driven and lubricated by the cleaning media meaning that the machine will stop if cleaning media is not supplied.

The units are certified for fulfilling the marking:

 II 1G Ex h IIB Tx Ga

Type Key:

The below listed Tank Cleaning Equipment identified by their individual serial numbers are covered by this inspection.

16 Report Number

Examination and test report: DAN 24ATEX0372Q Order no. J262967

17 Specific Conditions of Use

Special conditions for safe use as listed in the belonging "EC-Type Examination Certificates" must be observed.

18 Essential Health and Safety Requirements

In addition to the Essential Health and Safety Requirements (EHSRs) covered by the standards listed at item 9, the following are considered relevant to this product, and conformity is demonstrated in the report:

No additional requirements.
